Sir Knights,

Greetings, I again have the privilege and pleasure in addressing you all. The month of May being behind us we are looking ahead for a great summer. The first session of the Indiana Templar Academy that was held at the Fort Wayne Temple on May 5th went very well and all Sir Knights that attended received very valuable information from very experienced instructors. I want to thank Sir Knights Dwight Lanman, Hank LaHurreau, Steve Barton, James Bolinger and Kurt Begue for their time, information and experiences in conducting the Academy. The last session will be held on June 2nd in Columbus, Indiana from 10am to 3 pm with lunch served at noon.

The Grand Commandery's summer meeting will be held at the Fort Wayne Temple on June 9th 10am until 3 pm with a lunch served at noon. All Sir Knights are encouraged to attend. The Right Eminent Grand Commander Bobby Roberts and other Grand Line Officers will be there to lay out the upcoming year and answer questions that you may have concerning the upcoming years events. Hope to see everyone there.

St. John the Baptist Observance will be on Sunday, June 24th at the Trinity Episcopal Church at 611 West Berry St., Fort Wayne. The service begins at 10 am. It has been the custom on this day that many parts of the service are conducted by Masons. A section is reserved for Masons and their guests so please come early to be a part of a wonderful service.

The Right Eminent Grand Commander Bobby Roberts would like to invite everyone to the rededication of Winchester Lodge #56 on July 7th at 11 am. Winchester Lodge #56 is located at 125 E. North St., Winchester, IN. The days events are expected to be fun for all Masons and their families.

A reminder to all to visit the web site for the Estey Opus 2525 Pipe Organ at <http://estey2525.com> to listen to a sample of music played on the Pipe Organ. The more work that is done in the restoration of the organ the sound becomes more glorious. Words of appreciation cannot be given to all involved with the restoration of this significant part of the Fort Wayne Temples history. Please keep your thoughts and prayers to all of our Brethren or their family members who may be going through health issues. We wish everyone a speedy recovery and please remember that if anyone needs any assistance let us know.

With Summer here I hope that you and your family can spend time together and wish you and your family all the best for the Summer months. Take care and God bless.

Fraternally,
Tyson Howenstine
